## *Festival of Arts*

Dear Parents

In our continued effort to promote the Creative Arts at Victoria Park, we are, once more, holding our **Mini-Arts Festival** at the school over the weekend of **17 – 19 May 2018**. At the Festival we will incorporate our annual One-Act Play Festival as well as many other creative performances such as song, dance, poetry, mime, street theatre and theatre sports, children's theatre, hip-hop and rap, a Jazz evening, windband and steelband performances, choirs and music ensembles, ballroom dancing, an ECO Fashion Show, and many more. We are also hoping to encourage those in bands as well as individual and group musicians to participate – both in formal recitals as well as in a relaxed manner in our marquee or hall at 'Sundowner Time', or even by busking. In addition to this, Art and Photography pupils will be exhibiting their work in the form of an Exhibition in the Thorp Hall. So as you can see, a feast of cultural activities is anticipated.

We are not looking for 'experts' in any area but rather wish to give our youngsters the experience of performing in front of smaller audiences in a relaxed setting and for those not performing, by giving them an opportunity of experiencing different creative forms. Perhaps this will encourage them to unearth hidden talents.

In order to create a complete Festival 'feel', we wish to incorporate **craft and food stalls** and this is where we would love you to participate as well. Should you be interested in displaying your particular craft, or if you know of anyone who would be interested in doing so, you may book a stall at R50 for the duration of the Festival – the profit you make will be yours! Our Clubs and Societies will be running some of the food stalls, but we would like to include a few other interesting take-away meals as well. This, too, will be R50 per stall.

Please diarise these dates and bring the whole family to, what we are hoping, will be an experience which promises to be both fun and educational. We request that you fill in the tear-off slip below, both as acknowledgement of having received the note as well as indicating your interest in running a stall.

We look forward to seeing you at the Festival.

Kindest regards

**Mariette van der Walt**
