

Dear Victorians

## **TUTORIALS**

We are experimenting with a Tutorial System . This is for our pupils' benefit: especially for those who are struggling in particular subjects.

We are excited about this venture and hope to have your support.

## **PARTICIPATING SUBJECTS**

- Accounting, EMS (Monday to Thursday)
- Life Sciences (Wednesday)
- IsiXhosa (Monday and Wednesday)
- Physical Science, Natural Sciences (Monday, Tuesday, Wednesday, Thursday)
- English (Monday to Wednesday)
- Mathematics (Monday to Thursday)

*The days might change because of tutorial leaders' programmes*

## **TEACHERS INVOLVED**

Mrs Webb : Monday  
Mrs Coopoosamy : Tuesday  
Mrs Monteith : : Wednesday  
Mrs Mafeke : Thursday  
Mrs McLeod : Monday to Thursday

Time : 14h30 – 15h30  
Venue : Rooms 86 and 87

## **HOW DOES IT WORK?**

- Assistance by tut leaders (pupils)
- Tut leaders chosen by subject head (achievers in particular subject)
- At least TWO leaders per subject /per day
- One teacher on duty per day and two councillors
- Cards issued to attending pupils (register) – hand in at end of session
- Subject teachers identify pupils in need of extra assistance – will be communicated via the diary

This could be extended to other subjects. **ACADEMIC EXCELLENCE** is our main goal – together we can achieve this.

Yours in teaching

  
MRS MCLEOD

  
MRS WEBB

  
MR VERMAAK
