RESUMPTION OF EXTRAMURAL ACTIVITIES

Dear Parents

The Education Minister, Mrs Angie Motshekga, has announced that extramural activities may resume, if adhering to the basic COVID-19 protocols.

Victoria Park High is happy to get learners back onto the sports fields to afford them the opportunity of participation and for the many benefits that an extramural programme provides.

The following winter sports will resume from the week starting 10 August 2021: tennis, rugby, soccer boys and girls, hockey boys and girls, netball, squash and paddling. The aim is to start practicing to get conditioned for sport again. Sporting learners and their coaches will work towards having sports days on the weekends of 28 August and/or 4 September, when there will be internal matches taking place. These matches will give players the extra motivation to attend practices. The joy of playing again, together with the atmosphere that is created, will go a long way towards lifting the spirits of our learners during this time when there is so little to get excited about.

Our clubs, societies and care groups are also ready to get going again.

Yours sincerely
