Dear Parents

It has been another hard year, thus far, in terms of social distancing and isolation at Victoria Park High School. This has been particularly taxing on the grade 8 year of 2021. With the grade being split into separate learning groups, there has been a lack of socialisation and “gees” for the grade 8’s. Due to the new lockdown restrictions being eased, with gatherings of up to 250 people outdoors, the school has decided to invite all of our grade 8 learners to an end of term “Fun Day”.

This, we believe, will allow the learners to see peers they would not usually interact with under the current two group model we have implemented.

On Friday 23/04/21 learners are invited to the Dave Weinronk Sports complex for the 2021 “Fun Day”. Learners must be at the field by 07:50 (they may arrive from 7:00 to be screened). After a day of fun and laughter they will be dismissed at 12:00.

Sanitising and social distancing will be closely monitored by councillors and the teaching staff. All learners will be expected to sign in upon arrival as part of the screening process.

Please be advised that there will be no spectators or unauthorised persons allowed into the venue in accordance with COVID regulations.

We sincerely look forward to seeing the grade 8 year all together in one place, interacting and enjoying themselves after a long and daunting first term of high school.

Ewald Boshoff

Grade Head

Mike Vermaak

Headmaster
