VICTORIA PARK HIGH SCHOOL

ISIXHOSA FAL SCOPE 2021 GRADE 8

ICANDELO A: COMPREHENSION 20

ICANDELO B: UKUSETYENZISWA KOLWIMI 30

- Izibizo namahlelo wazo
- ukuhlahlela izibizo
- isinye/isininzi
- Imisebenzi yezimamva zezibizo
- Izibizo ezimbaxa
- General knowledge

AMANQAKU EWONKE: 50

MATHEMATICS

Test Series Scope Grade 8

20 April 2021

Whole Numbers / Number Theory:

- * Classification of Numbers (Natural, Prime etc)
- * Multiples and Factors
- * HCF / LCM
- * Natural Numbers in exponential form
- * Divisibility laws
- * Ladder Method

Integers:

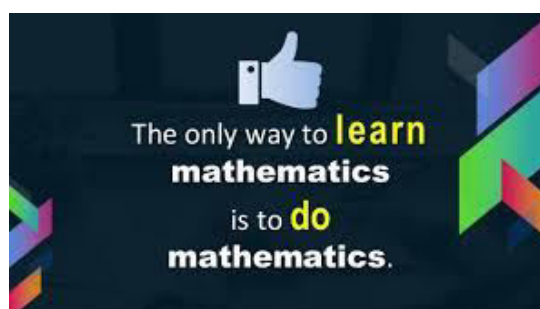

- * Operations (Add, Subtract, Multiply, Divide)
- * Squares and Cubes of Integers
- * Square Roots and Cube Roots
- * BODMAS
- * Multiple operations (Mixed)

Ratio and Rate:

- * Simplify Ratios
- * Increase/Decrease in given ratio
- * Divide/Share in given ratio (where whole is given)
- * Model problems involving ratio
- * Rates

Fractions:

- * Simplify Fractions
- * Convert between Mixed and Improper
- * Add, Subtract, Multiply, Divide

NS Scope for Test series Grade 8

8th April 2021

Topic 1: Photosynthesis & Respiration

Unit 1: Photosynthesis

Skills focus: Variables & fair tests

Skills focus: Carrying out practical investigations

Starch test

Unit 2: Respiration

Carbon dioxide test

Topic 2: Interactions & interdependence within the environment

Unit 1: Introduction to ecology

Populations, communities & ecosystems

Unit 2: Ecosystems

Biotic & abiotic factors

Unit 3: Feeding relationships

Producers, consumers etc

Unit 4: Food chains and food webs

Unit 5: Balance in an ecosystem

Natural & human factors that disrupt balance

Unit 6: Adaptations

including camouflage & mimicry

Unit 7: Conservation of the ecosystem

Topic 3: Micro-organisms

Unit 1: Types of micro-organisms

Grade 8 Social Science Scope Term 1 2021

Geography

Types of Scale

Measuring distance in reality (straight and curved line)

Calculating area

Longitude and latitude

Co-ordinates

STUDY ALL THE WORK IN YOUR MAPWORK MODULE

History

Pg 111-122.

Industrial Revolution

Slave Trade

Enclosure

Cottage Industry

Urbanisation

Child Labour

Paragraph: Social effect of the Industrial Revolution.
