Dear Parents

The time has come for me to announce my retirement at the end of 2021. I am completing my fortieth year in teaching and my 27th year at Victoria Park High.

Education has taken up the biggest part of my life and I will sincerely miss being a Victorian, striving to make a difference in the lives of so many youngsters. The camaraderie of being part of a school community is something I will always cherish and I will have to find something to fill the hole, once I have left.

My blood will always remain green and the love shared with teachers, non-educators and learners is something I wish upon whoever will be taking over the reins. In the short to medium term Mr Adrian Jansen will be the Acting Principal, ably supported by our other Deputy, Mrs Estelle McLeod. I have complete faith that the school, led by an active Governing Body and an experienced staff, will continue to provide the quality education that we have grown accustomed to.

I would like to thank the parents, staff, learners and SGB for the huge role they have played in my life.

Yours sincerely

M J Vermaak
