Dear parents / guardians

Friday the 20th of August will be our annual Sport and Cultural Society's photograph day. The photographs will be taken during the school day in the Thorp Hall.

Learners who play for a first team sport are to wear their sporting uniforms for the photograph. Their coaches or managers would have already advised them on this. All other teams will be wearing winter school uniform for their photographs. The learners need to come to school as per usual and will change if necessary when called down to the hall.

EP and SA representatives are to bring their kit and get changed when they are called down.

Please make sure that your sons and daughters are appropriately groomed according to the school code of conduct. Learners are to please wear winter school uniform for photographs.

Attached to this letter is a list of photos being taken tomorrow.

Yours in Education
Miss L Smith
