Dear Parents / Guardians

After careful consideration we have decided to have a Test Series for Grade 8 and 9 at the end of the term. Reports will only be handed out in Term 2. Due to the Covid19 regulations we had to adapt the format of the Test Series.

To avoid losing teaching time, learners will write their tests after school. The bell times will be adjusted so that the Test Series can start at 14h00 and end at 15h00. If the test is on a day that Group 1 attends school, then Group 2 learners will have to be at school at 13h30 to write the test with Group 1 at 14h00. The next day, Group 2 will be at school and Group 1 will then have to come to school at 13h30. No homework will be given for the days on which they write tests.

It is imperative that learners are not absent for any examination. If a learner is absent, a valid doctor's certificate must be presented to the subject teacher when they return to the school. Learners must arrive punctually for the test as no extra time will be allowed. In accordance with Covid 19 regulations the premises must be vacated by 15h00 to allow enough time for sanitizing.

The results of the test series form a large percentage of the marks that appear on the Term 1 report therefore we ask that you encourage and support your son/ daughter to give of his/her best during the Test Series.

We wish you and your son/daughter every success.
