28 January 2019

Dear Parents

This is to inform you that the Grade 9s will be writing a Test Series which will start on the 19th of February and end on the 5th of March.

The purpose of the test series is twofold in that it allows for standardised tests to be written and at the same time to spread the number of assessments written by the pupils. Pupils will write a two-period mini-examination every second day in certain learning areas. The school day will continue as normal after the mini-examination has been written. No homework will be given on the days before tests are written. The results of the Test Series will form a large percentage of the marks that will appear on the end of term report for Term One.

It is imperative that learners are not absent for any examination. If a learner is absent, a valid doctor's certificate must be presented to the Subject Teacher on return to the school.

We trust that all parents will encourage their children to give their best during the Test Series.

We wish you and your child every success.

Ms P. Meyer
GRADE HEAD

Mr R. van der Merwe
