## RE/MAX INDEPENDENT PROPERTIES PARTNERS WITH VICTORIA PARK HIGH SCHOOL

It gives us great pleasure to announce that Victoria Park High School has secured the support of one of Port Elizabeth's leading real estate companies – **Re/Max Independent Properties**.

With the company logo “**nobody in the world sells more real estate than RE/MAX**” and a mission statement “...**achieving our goals by helping others achieve theirs. Everybody wins!**” this company was the obvious choice to partner with Victoria Park High School.

**Re/Max** offices are situated in **Circular Drive, Lorraine and Main Road, Walmer**.

After negotiations between the school and **Mrs Kobie Potgieter**, broker owner of **Re/Max Independent Properties**, Kobie had no hesitation and was excited to partner with Victoria Park High School. Her genuine belief in the school as an institution of excellence and in the important role it plays as an integral part of the Walmer and broader Port Elizabeth community resulted in this dynamic partnership. Kobie celebrates the fact that Victoria Park High School has a vision of continually striving for new and exciting ways to be a school of choice for secondary school learners in Port Elizabeth and she firmly believes that **Re/Max Independent Properties** can add tremendous value to this vision.

Whilst the economic climate in the country as a whole offers its challenges, Victoria Park High School remains optimistic and is constantly looking for alternative income streams to supplement its income. In this way we will be able to finance projects that uphold our school's attractive reputation – one of which our VP family is truly proud of!

Going forward – parents should already have noticed the branding on the premises of the school and on sports kit. This collaborative branding will continue to expand as the relationship between Victoria Park High School and **Re/Max Independent Properties** continues to grow.

In the spirit of collaboration and unity, we are asking parents to support **Re/Max Independent Properties** with all their real estate enquiries, in return for the support they are giving to us.

## **HOW DOES IT WORK**

If parents at the school are planning to sell or buy property, please consider **Re/Max Independent Properties** as your agency of choice. Any leads provided to the school regarding the selling or buying of property that actually culminate in a successful sale will result in both the school and the person who provided the lead, benefitting financially.

All enquiries and referrals will be co-ordinated and recorded by **MRS TANIA MINNIE**. It is thus very important that all enquiries as well as leads/referrals are **directed to Mrs Minnie** and **NOT to Remax directly**.

Please contact her for more information or email her on [tremax@vphs.ecape.school.za](mailto:tremax@vphs.ecape.school.za) to be part of this **EXCITING INITIATIVE!**

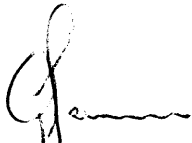

Lastly, we have enclosed a **business card** for your convenience. Please feel free to keep it for all future property requirements.

## **IMPORTANT ALSO TO NOTE:**

Parents are also reminded of the **MYSCHOOL CARD** which can be linked to your Woolworths card as well as re-fuelling at the **CALTEX GARAGE** in 1<sup>st</sup> Avenue Walmer (ask for your VP card and have it stamped when you refuel) – these are **TWO** very useful income streams for the school and we are continually looking to grow them, which will ultimately benefit the school.

Vivite Fortel!

Kind regards
