Dear Grade 8/9 Parents

We would like to thank the group of Grade 8 parents who mailed us some suggestions for going forward in the protracted lockdown period.

We have put together a daily timetable for each of the Grade 8 and Grade 9 groups. The idea is that learners sit and do the prescribed work, per subject, in the allotted daily time slots.

- Each week Victoria Park will be communicating daily work plans.
- During each of the daily timetable slots the subject teachers, for that slot, will be available for contact.
- Feel free to contact the teachers by email or telephonically (contact details to be sent out soon), but keep to the time slot for that particular lesson.
- This frees up the teachers for the rest of the day, to be available for the other grades/subjects they teach.

- **Timetables have been created to structure the Grade 8 and Grade 9 daily academic programme.**
- **The teachers will be available during the times as indicated on the timetable. Learners can then communicate via email or the WhatsApp platform, once groups are up and running. Learners must use this platform to post work/assignments done by them.**
- **The daily schedule per learning area will be posted, weekly, on all the communication platforms of the school. This must be used in conjunction with the daily timetable.**
- **The Technology/Creative Arts/Life Orientation will take place on alternate days. Eg Wednesday will be Technology; Thursday – Creative Arts; Friday – Life Orientation. Monday will be Technology again, etc.**
- **This timetable will run from Wednesday, 6 May 2020.**

If your children are sticking to this timetable and going over the prescribed daily work they will be in a good position when the teachers re-cap the content upon the re-opening of schools.

Learners must file all the work they are doing, so that it can be included in their CASS portfolios.

The Grade Heads are in the process of putting together subject WhatsApp groups so that we can have better communication and a platform to send evidence of work to. Mr Ferreira will be sending out teacher contact details later this week. This will also have a link whereby learners can join the groups they are part of. Please encourage your son/daughter to join the appropriate groups, if they are not already on.

Once teachers are allowed back at school we will be making hard copies of our communication available for those who do not have connectivity.

Please help us walk down this rocky road that is new to all of us.

Yours sincerely

M J Vermaak
