Dear Learner

On behalf of the School Governing Body and the staff of VPHS, we wish you calm and clear minds during your trial examinations.

VPHS has obtained advice from the Department of Education and lawyers on any potential protesting, disruption etc. inside the VPHS premises during the trials and final examinations.

The Department of Education's representatives, police and a security company will be called to remove any persons disrupting the examinations and the relevant disciplinary action will be taken.

Yours sincerely

A handwritten signature in black ink, appearing to read 'G Applewhite'.
