Dear Parents and Class of 2020

## **MATRIC DANCE**

As you are undoubtedly aware, the national lockdown due to the COVID-19 has resulted in an unprecedented disruption to the 2020 academic calendar.

We are currently phasing in grade 12 learners for completion of the remainder of the academic year. Due to the fact that the Minister of Education has cancelled all extra-curricular activities, the holding of the Matric Dance is in jeopardy. We are in the process of considering possible legal avenues that may enable us to hold an alternative Matric Function.

We acknowledge that some parents may already have made preparations for the Matric Dance and wish to apologise for the inconvenience this may have caused.

For those of you who have already paid for the Matric Dance, the funds have been credited to your school fee account. Where school fee accounts are in credit, the parents need to please contact the Bursar with their banking details to arrange a refund.

Yours sincerely

Mr M Vermaak  
Principal
