SGB Appeal to all Parents/Guardians

Dear Parents/Guardians

On behalf of the School Governing Body *Parent Members*, I would like to ask you all to share my appreciation for Mr. Vermaak, the Senior Management Team, all Teaching, Administration and Maintenance Staff at our outstanding school for the continued, exceptional efforts made during this COVID19 Pandemic, to ensure safety. Their management of the return to classes of the Grade 12's, 11 and 10's and soon the Grade 8's has been exemplary under extremely trying circumstances. I am sure there is a mutual feeling of admiration and appreciation for ensuring the safety of our precious children.

We appeal to you all to ensure that all COVID19 protocols are followed by the learners, not only at school but also at home, while traveling and in general. It is imperative that we all adhere to these conditions for, not only our own families and communities safety, but for the safety of the entire school community.

We implore you to **keep learners at home** if they display any one of the following symptoms:

1. **Constant headaches**
Persistent cough
Fever
Sore throat
Shortness of breath
Diarrhoea
Body aches
Nausea
Loss of taste &/or smell
Unusual tiredness
2. **or if they have been in contact with a COVID-19 positive person.**

On behalf of the entire School Governing Body, I thank you for entrusting your children into the hands of the wonderful team at Victoria Park High School.

Yours faithfully
