

The SGB would like to express their sincere thanks and gratitude to all the parents, staff, learners and various companies who have supported Mr Vermaak, his SMT and the staff at VPHS during this the Covid-19 pandemic. Your support via e-mails, telephone calls, donations and your prayers during these very unsettling times has encouraged the team to strive for a continued change to the “new normal”. This “new normal” is an ever changing daily scenario and will require continued support from the parents and the VP community.

A special vote of thanks must go to our parents who have supported their children with their learning tasks, making sure their teenagers are kept on track. Some parents have experienced extreme hardships during this time, both financially and due to illnesses, but have found the strength to be able to go the extra mile and in so doing, have shown incredible support for what Mr Vermaak and his staff are achieving. The Parent Governors on the SGB sincerely thank our VP Community for their support and extend an appeal to this Community to please continue offering their assistance in whichever way they feel will be beneficial. We all need to stand together to fight this unseen virus. Should you be willing to offer your assistance in any form, or require an answer to troubling questions, please feel free to contact the school office via email info@vphs.ecape.school.za or per telephone 041 5086400 and one of our Secretaries will be able to assist you.

Geoff Applewhite (Chairman)
& the SGB Parent Governors
