Dear Parents and Class of 2020

## **MATRIC DANCE POSTPONEMENT**

As you are undoubtedly aware, the national lockdown due to the COVID-19 pandemic has resulted in an unprecedented disruption to the 2020 academic calendar.

Whilst every effort is being made to ensure that lost time is recouped in terms of academics, there is currently no indication as to when the national lockdown will be lifted or how lockdown easing will affect the Department of Basic Education. The department has however formulated a possible phased-in approach for the return of educators and learners post lockdown but this is largely dependent on national directives received from the President.

Due to the uncertainty mentioned above, we hereby wish to advise that the Matric Dance, initially planned for 11 June 2020 will be postponed until further notice. We will ensure that all parents and learners are timeously informed of the new date as soon as the remainder of the 2020 academic calendar has been revised.

We acknowledge that some parents have been making necessary preparations for the function and wish to apologise for the inconvenience this may cause.

Yours sincerely

**Mrs. L Moodaley**

(Dance coordinator)
