

## Holiday Tennis Coaching

June 2024

It has been a busy Term 1 and 2 for Victoria Park High School sport. Tennis has seen growth in having played more fixtures this season than in 2023. To add to that growth one has to mention the progress from 4th league to third and second.

We aim to increase numbers and competitive tennis players through initiatives, such as our internal league which we held in term 2, as well as the staff vs. learners tennis doubles champs.

To continue the growth it is necessary to put in the hours of practice and work to improve skills, game consistency and competitive spirit.

Holiday coaching sessions will be a massive boost in preparation for tennis in term 3. These sessions are not compulsory and will be run in a private capacity at Victoria Park High School. To ensure you do not miss out on this opportunity please book sessions with coach Farrell.

When: Monday and Wednesday afternoons

Time: Book time slot with coach Farrell

Place: Dave Weinronk Sports Complex

Contact: Coach Farrell @ 0636975705

Have a good rest this holiday but don't forget to put in the work. "Hard work beats talent when talent doesn't work hard."

Rynhardt Gerber  
Sports coordinator

Retief van der Merwe  
Head of Sport
