

VICTORIA PARK HIGH SCHOOL

22 January 2026

Dear Parents

TUTORIAL PROGRAMME 2026

The Tutorial Programme at Victoria Park will commence on Monday, 26 January 2026. This gives learners the opportunity to receive extra tuition, **free of charge**, in subjects / learning areas in which they experience difficulties.

Please be advised of the following:

- Learners are to **complete the list** found on the classroom door of the subject / learning area head **before the end of 2nd break** on the day they would like to attend. This is essential for planning purposes. **If no names appear on the lists (i.e. no learner has registered for a lesson) the teacher is not expected to wait.**
- If learners register for a lesson, they are expected to attend. *Please excuse yourself from the teacher if you can not attend anymore!*
- Tutorials run from **14:30 – 15:30**. The learner does not have to stay for the full hour and may attend multiple sessions.
- A register will be kept.
- If a learner is to miss or be late for another extra-mural activity because of attending a tut lesson first, **we kindly ask that said learner inform the teacher in charge of that particular extra-mural activity.**
- If there should be any clashes, learners are more than welcome to discuss this matter with the teacher in charge. It is then advisable to alternate lessons every week.

We strongly encourage learners to make use of this opportunity and attend lessons regularly. Many subjects follow a programme and missing some lessons will not be beneficial.

Thank you for your ongoing support in our learners' education.

Mrs. E. du Preez
DEPUTY PRINCIPAL
